St. Croix Montessori 2025 Fundraising Event

Experience the glamour of 1960s South Beach at our chic and vibrant fundraising event!

Date of Event: Saturday, March 22nd, 2025

Location: King Christian Hotel

Dear St. Croix Community Member,

Have you heard about the positive impact St. Croix Montessori is having on the educational landscape of our island?

St. Croix Montessori School originated from the bold determination of a small group of teachers and parents dedicated to providing a distinctive educational experience for students ages 3 to 12. This small group created our school 18 years ago, and many of them remain involved in our continuing growth plan. Our mission is to guide children to be self-disciplined independent learners, critical thinkers, and engaged citizens.

We are currently in the midst of our second year on the beautiful St. Dunstan's Episcopal School campus. In the short time we have been at this location, we have grown from two classrooms to seven - and that growth will continue to evolve. In addition to academic programs, our growth also includes a new playground, athletics, arts, and service learning experiences.

By the year 2029 our school will expand to include all grade levels - through graduation. With the addition of a toddler room this year, that means we will provide an internationally recognized school experience for children from ages 18 months to 18 years!

Studies have shown that just three years of a Montessori education can erase gaps in academic achievement and growth that typically accompany differences in economic status. When we pair our high-quality Montessori programs with the International Baccalaureate program - a diploma sought by the best colleges and universities across the globe - we provide a path for the students of St. Croix to pursue their dreams and make the world a better place.

Your donation to St. Croix Montessori can make a lasting difference to the students, resulting in a meaningful difference in their lives. Let's work together to provide the kind of remarkable education that is known internationally for its high quality. Please help us provide the very best and exceptional educational opportunities for our children.

We invite you to be part of the positive movement and join in our mission to bring opportunities of the highest quality to the children of St. Croix. *This is an excellent marketing opportunity for you to provide visibility for your organization while also supporting the children of our island.* Your donation will be acknowledged on our website, Facebook page, and signage at the event.

Please see the attached documents to **choose the sponsorship or donation that best fits your desire to give.** St. Croix Montessori is a 501(c)3 non-profit. Our tax ID number is 66-0664498.

Thank you for your generous support. It makes a world of difference to a child!

Sincerely,

Tracy Cook - (c) 513-260-2899
Head of School
